

HKN Initiation: Spring 2014

Georgia Institute of Technology
Eta Kappa Nu
Beta Mu Chapter

February 7, 2014

Dear Professor,

Eta Kappa Nu is cordially inviting you to the Spring 2014 Initiation Banquet for our new, distinguished members. Eta Kappa Nu is the only electrical and computer engineering honor society at Georgia Tech as well as in the nation. We will be initiating some of the top EE/CompE juniors, seniors, and graduate students and would like you to meet and congratulate these students.

When: **Monday, March 31th (6:30 p.m. – 9:00 p.m.)**
Where: **Georgia Tech Hotel and Conference Center**
Dress: **Semi-Formal** (e.g., suit and tie)

We need to know your decision by **Friday, March 14th** in order to finalize reservations. Please return the bottom portion of this letter to the Administrative Office (Van Leer, 2nd Floor) by noon on Friday, March 14th.

We consider you an honored guest and believe your presence would enrich the occasion for our initiates as well as for the officers. If you want to bring any guests with you, we ask that you write us a check (payable to Eta Kappa Nu) for \$30 per guest and attach it with the slip at the bottom. If you have any further questions, please contact me at helenli@gatech.edu. We look forward to seeing you at the banquet.

Sincerely,
Helen Li
President, Eta Kappa Nu

Please detach this portion and return it to the Administrative Office along with your payment (if you are bringing a guest) by **noon on Friday, March 14th**.
